BECAUSE SAFETY CANNOT BE COMPROMISED.

STAHLWILLE TOOL SOLUTIONS.

For over 30 years, STAHLWILLE has been a pacesetter partner of the aerospace industry. Our quality, consulting expertise and dependability are relied on both by large enterprises and countless smaller airlines and service companies.

Our »Made in Germany« tool solutions deliver consistently high quality standards. They are designed specifically for heavy-duty work and long service lifetimes. They provide such close tolerances that they even comply with the extreme quality standards of space travel.

SECURITY

- Screwless tool construction
- Tool Control System
- QuickRelease security lock

100%

Accuracy

- Extremely close tolerances
- Accurate torque measurement technology
- Compact, smooth-running fine-tooth ratchets

Durability

- Selected materials
- Sophisticated features
- Over 150 years of experience
- Premium quality »Made in Germany«
